

THE AEGEAN DOSSIER

Twelve Days *in* Greece

*A privately curated passage through Athens, Mykonos,
Milos, Paros & Santorini — designed for two.*

Journey through Greece

Twelve days, five islands, and a private thread of experiences pulled taut between the Acropolis at dawn and the last light on the Santorini caldera. This is not an itinerary — it is a rhythm. Two nights in Athens for context. Three on Mykonos for indulgence. Two on Milos for stillness. Two on Paros for pace. Two in Santorini for finale.
